

NAMM PHARMACEUTICALS COMPANY LIMITED.

COMPANY PROFILE

CORPORATE MISSION

We aim to improve the quality of our peoples' life through supply and delivery of a wide range of quality pharmaceutical product using the best procurement and (sourcing) practices.

CORE PURPOSE

To be the best importers and suppliers of top quality medicines from reputable firm in East Africa

VISION

To be the most popular supplier of medical products in Kenya, East Africa and beyond

COMPANY HISTORY

Namm Pharmaceuticals Company Limited was formed by highly qualified pharmacists and experienced businessmen.

Namm Pharmaceuticals Company Limited started as a modest, fully licensed to import quality products.

We are located in a big space and more storage in Industrial Area Nyahera Road off Lungalunga Road Nairobi.

OVERSEAS PARTNERS

1. **RADIANT OF BANGLADESH;** - This is an extremely vibrant but young Pharmaceutical Company in the Medical/Pharmaceutical sector in Bangladesh. No wonder this company which was only founded in 2004 has been licensed by reputable companies like, F. Hoffmann-La Roche Limited (Switzerland) to manufacture and market their re-known products. NAMM PHARMACEUTICALS ORGANOGRAM

OTHER MEDICAL SUPPLIES

Namm Pharmaceuticals Limited is also one of the leading suppliers of Medical products in the East & Central African region. Our customer relationship is driven by the market philosophy. In addition, adequate communication tools and the use of the same have highly helped in our supplier-customer relationship.

All our equipment are supplied under warranty in which we usually enter into service contract with our clients. Routine preventive maintenance is compulsory for the equipment in order to avoid premature failure of critical and expensive equipment and also to ensure optimum and trouble free operation.

We keep adequate stocks of original equipment spare parts.
